

ROLLIN' RASCAL - CASTING SIDES

BLUSH

VOCAL REFERENCE

Peridot (Steven Universe), Jenny Slate (Parks & Rec)

CASTING NOTES

Looking for a nasally tone, very cartoonish. Big energy.

DIALOGUE

High-society with a razor-sharp tongue, delusions of grandeur, and a flair for theatrical meltdowns. 20s, Female. Elegance's makeup artist, the first member of the Glam Squad.

BLUSH

HOW DARE YOU! I don't just make people "pretty". I am SO MUCH MORE than that. A true artiste. We're removing ugliness from this world, and I'm starting with YOU.

(beat)

A shame. You've got such nice, thick eyebrows. Contour could really do wonders. Hmm. Well, I can still doll you up for your funeral.

BARKS

In game dialogue and voice lines.

BLUSH

Your looks offend me.

Flawless. Fierce. Fatal.

Beauty hurts, babe.

No one outshines me!

That was tragic.

Beauty over brawn.

Not the face! Not the face!
