

VIDEO GAME - CASTING SIDES

ELEGANCE

DIALOGUE

Theatrical, larger than life, self-absorbed. Kim Kardashian if she had Jeff Bezo's money and influence. Enjoys the game of being a villain. Female. In her 70s, but looks like she's in her early 30s.

ELEGANCE

You think speed is power. That if you just move fast enough, you'll outrun consequence. But time always catches up, darling. And unlike you, I never rush. I calculate. I curate. I control every piece on this board.

(beat)

Your sister understands. She's a thinker. A planner. Under my wing, she could've been magnificent. But you? You're just... gum on my shoe.

(beat)

But by all means... Run. Leap. Scurry through my maze like a blind, little mouse. It won't change the ending. This is *my* story. You're just trapped in it.

ELEGANCE (CONT'D)

So let me get this straight. You tried to fight *children*... and lost? I would call it a disappointment, but that suggests I expected better.

(beat)

Next time you feel the urge to demonstrate your... talents... don't.

BARKS

In game dialogue and voice lines.

ELEGANCE (CONT'D)

I admire your confidence. It's so... unearned.

ELEGANCE (CONT'D)

I grow tired of this dance.

A shame. All that energy, and
nowhere to go.

Still running? Adorable.

I'd applaud, but I'd hate to reward
mediocrity.

You're either brave or brainless. I
can't decide.
