

ROLLIN' RASCAL - CASTING SIDES

RASCAL

DIALOGUE

Energetic, charismatic, competitive, impulsive. 12 years old. Male. Loves to play and explore, childish and impish like Peter Pan.

RASCAL

Sometimes, right before I do something absolutely stupid, my brain goes, "this is a terrible idea." And I'm just like "yep, let's DO IT ANYWAY." Life's short. Let's roll, dude.

(beat)

QT says I'm "impulsive". I says I'm FUN. You won't see me making a bunch'a robots or taking things slow. Imma be halfway up that mountain before you even notice I'm gone.

There's two sides to RASCAL. He's comfortable with his family, but uncomfortable with change.

RASCAL (CONT'D)

Y'know... if I could bottle this moment, I would. That pinky-purple sky as the sun meets the sea. The smell of salt in the air. Me, my sister, and Brisk, just hangin' around like we always do...

(beat)

Don't tell anyone. But... I don't really care about saving the world. Just this moment. Where all of us are here, together, in this dumb little town.

(honest)

I just want things to stay the way they are.

BARKS

In game dialogue and voice lines.

RASCAL (CONT'D)

Catch me if you can! Newsflash, you can't.

RASCAL (CONT'D)
Whewwwww! This is such a bad idea!

Hope that wasn't your favorite
robot.

Oops... did I break it? Good.

Speed is my middle name.

Bet you didn't see that comin'! I
didn't either.

You think too much.

That's how I roll.

Let's roll!

Slow is for turtles and traffic
jams.

I have a need for speed.

Don't think, just run!

I regret nothing!

Shortcut!
