

ROLLIN' RASCAL - CASTING SIDES

TWINKLE

DIALOGUE

Dreamlike wisdom, authority, and warmth. Female, teenaged but with an ageless aura. Mystical mentor and quest-giver.

TWINKLE

Welcome, heroes. I am Twinkle, and this... is the Lost Dimension. Your one stop shop for all things mystical and marvelous.

(beat)

You've come for a cursed Pirate's booty. No... Let me guess. A salve for arthritis? Or how about a postcard? "Corsair Coast: The beach is out there".

(beat, amused)

Tell me... if not a souvenir, what, then, do you two desire?

(beat)

I see. Such an innocent, pure request.

(beat)

Very well, then. Come to the backroom. I think I've got just the thing.

BARKS

In game dialogue and voice lines.

TWINKLE (CONT'D)

Choose wisely.

Few reach my domain. Fewer still prove themselves worthy.

Show me your resolve.

This gem resonates with you.

My trials are not of strength, but of spirit.

True power is not taken. It is earned.
