

ROLLIN' RASCAL - CASTING SIDES

TYSON

VOCAL REFERENCE

Mike Tyson

CASTING NOTE

Has a lisp. Has a very large build, voice should be on the deeper side to reflect this. Hispanic accent.

DIALOGUE

Younger half of the Dust-Up Duo. Tyson is a mountain of muscle with a sensitive heart. Theatrical, big energy, big feelings. Not the sharpest chair in the ring. Male, 20s-30s.

TYSON

Don't let their baby faces fool
you! They're lyin', thievin'
COWARDS. They tried to steal the
heart of our desert!

Tyson is deeply insecure about his size and overcompensates with dramatic monologues, teary outbursts, and painfully earnest attempts to prove his worth.

TYSON (CONT'D)

The heck you call me? SOFT? I am a
warrior of the ring, Austin. A
colossus of chaos! D'you see these
ripplin' pecs? Cushions are soft. I
am a wreckin' ball.

(beat)

This body is all power, baby.
'Member that time I carried you
like a backpack? Hmm? 'Cuz I do.
Sure, you get more spotlight 'cuz
you're older. More of the ladies.
But I shine in my own way. One of
these days, they'll learn to
appreciate the Tysonquake.

(beat)

Now stop callin' me squishy. It
hurts my feelings.

BARKS

In game dialogue and voice lines.

TYSON (CONT'D)

Laugh it up, skinny legs.

Call me squishy again, I dare you!

Emotional damage! And some physical too.

Hope you're hungry for a slamwich!

Crushin' is how I cope.

I got movez. I got powah! I am a natural disasta!

Ow! That's gonna bruise my soul.

Squashed like a bug!

Who's the chubby champion now?!

You're washed out. Get ready for the tumble cycle.
